- 5.9 If the Currency of the Sale and Purchase Agreement, concluded for the subsequent transfer of the Leasing Subject to leasing according to the relevant Appendix to the Lease Agreement, differs from the Currency of the Lease Agreement, the Lessee, if the Sale and Purchase Agreement provides for making more than one payment, shall, by the demand of the Lessor, within 5 (Five) calendar days pay to the Lessor an amount in cash equal to the difference between the actual amount in rubles received by the Lessor as an Advance Payment under the relevant Appendix to the Lease Agreement and the amount of the first Advance Payment payable by the Lessor to the Seller under the Sale and Purchase Agreement of the Leasing Subject, which is transferred to the Lessee in leasing under the relevant Appendix to the Lease Agreement, calculated in rubles in accordance with the terms of the Sale and Purchase Agreement as of the date of receipt of the Advance Payment under the relevant Appendix to the Lease Agreement to the correspondent account of the Lessor's bank.
- 5.10 Unless otherwise is specified in the Appendix to the Lease Agreement, Advance Payment, Security Payment, Commission Fee, Lease Payments, Payments for Additional Services, the Redemption Price of the Leasing Subject, forfeits (penalties, fines), as well as all other payments under the relevant Appendix to the Lease Agreement shall be made by the Lessee in rubles at the exchange rate of the Lease Agreement established by the Bank of Russia on the date of payment. If the rate of the Currency of the Lease Agreement established by the Bank of Russia on the date of payment has increased by more than 1% (one percent) from the date of payment to the date of crediting the funds to the correspondent account of the Lessor's bank, the Lessee undertakes to make an additional payment in the amount of the resulting difference in rubles upon the request (invoice) of the Lessor within 5 (five) business days from the date of receipt of such a request (invoice). For the purposes of this clause hereof, the "date of payment" is the date when funds are debited from the Lessee's bank account.
- 5.11 If the Currency of the Purchase and Sale Agreement, concluded for the subsequent transfer of the Leasing Subject to the possession and use of the Lessee in accordance with the relevant Appendix to the Lease Agreement, differs from the Currency of the Lease Agreement, or the Currency of the Purchase and Sale Agreement under the terms of the Sale and Purchase Agreement is converted into rubles at fixed rate and if the Currency of the Lease Agreement differs from the Russian ruble, the Lease Payments shall be multiplied by "K" ratio.

In this case, the coefficient “K” is equal to the ratio of Amount 1 to Amount 2.

Amount 1 is the amount in cash that has already been actually paid by the Lessor under the Sale and Purchase Agreement, concluded for the subsequent transfer of the Leasing Subject to the possession and use of the Lessee in accordance with the relevant Appendix to the Lease Agreement, and expressed in the Currency of the Lease Agreement at the rate of the Bank of Russia as of the date of execution of these payments by the Lessor to the Seller, minus the amount of the Advance Payment under the relevant Appendix to the Lease Agreement, expressed in the Currency of the Lease Agreement at the rate of the Bank of Russia as of the date of the payment. The Lessor, upon the written request of the Lessee, provides the Lessee with copies of payment orders to the bank for payment to the Seller with the bank’s note of execution.

Amount 2 is the amount in cash which, in accordance with the Purchase and Sale Agreement, concluded for transfer of the Leasing Subject in possession and use to the Lessee under the appropriate Appendix to the Lease Agreement has to be paid by the Lessor to the Seller, and denominated in the Currency of the Lease Agreement by recalculation from the Currency of the Purchase and Sale Agreement using the Bank of Russia rates for the Currency of the Lease Agreement and the Currency of the Purchase and Sale Agreement as of the date of exchange rate conversion specified in the Lease Agreement, minus the Advance Payment amount denominated in the Currency of the Lease Agreement at the Bank of Russia rate as of the date of payment.

The Lessor shall notify the Lessee of the change in the Lease Payments Amount under the relevant Appendix to the Lease Agreement, including the Lease Payments Schedule, by sending the Lessee a corresponding notification, which is an integral part of the Lease Agreement. Refusal and/or evasion by the Lessee from receiving notification of the change in the Lease Payments Amount under the relevant Appendix to the Lease Agreement, as well as the Lessee’s absence at the location and/or at the last known address of the Lessee indicated in the last signed Appendix to the Lease Agreement, shall not constitute the grounds for releasing the Lessee from the obligation to make payments in the changed amount. The Lease Payments Amount under the relevant Appendix to the Lease Agreement is deemed to have been changed on the date specified in the notice of change in the Lease Payments Amount under the relevant Appendix to the Lease Agreement.

- 5.12 All payments under the Lease Agreement made by the Lessee in full (without withholding or deduction, without any counterclaims for the offset by the Lessee against any obligations between the Lessor and the Lessee, and without any third party claims to the Lessor for the offset pursuant to any obligations of the Lessee under the Lease Agreement) by bank transfer of the amount of the next payment to the current account of the Lessor.
- 5.13 In case of an overpayment of the next Lease Payment under the relevant Appendix to the Lease Agreement, the amount of the overpayment shall be counted towards the repayment of the corresponding part of the Lease Payment under any of the Appendices, and in case of an overpayment of the Advance Payment under the relevant Appendix to the Lease Agreement, the amount of the overpayment of the Advance Payment shall be counted towards the repayment of the corresponding part of the next Lease Payment under the relevant Appendix to the Lease Agreement or Advance Payment under any of the Appendices without additional notifications (notices) from the Lessor.

For the avoidance of doubt, the interests for the use of the specified amount of overpayment, provided for in Article 395 of the Civil Code of the Russian Federation shall not be charged and paid by the Lessor to the Lessee.

- 5.14 Any payment under the Lease Agreement is deemed to have been made only after the entire amount of the corresponding payment has been received on the correspondent account of the Lessor's bank. In the event that payments due in accordance with the terms of the Lease Agreement are paid by installments, the respective payment shall be deemed to have been made at the time the Lessor receives the last part of the respective payment. At the request of the Lessor, the Lessee undertakes to provide written evidence of payment.
- 5.15 Delay in transferring the Leasing Subject by the Seller to the Lessor under the Purchase and Sale Agreement against the terms agreed in the Purchase and Sale Agreement, and, accordingly, the delay in transferring the Leasing Subject in the possession and use of the Lessee shall not relieve the Lessee from the obligation to pay the Lease Payments under the appropriate Appendix to the Lease Agreement in the amount of and within the time frame established by the relevant Appendix to the Lease Agreement, except for the cases when such a delay occurred solely by the fault of the Lessor.
- 5.16 In case of changes in tax and similar payments related to the Leasing Subject and/or the Lease Agreement (payments under the Lease Agreement and/or under the relevant Appendix to the Lease Agreement) that the Lessor is obliged to pay, the Lessor shall have the right to unilaterally change the amount of payments as for all Appendices to the Lease Agreement and one or part of the Appendices to the Lease Agreement, and the Lessee undertakes to unconditionally make payments in the modified amount. The Lessor shall notify the Lessee of the change in the amount of payments both under all Appendices to the Lease Agreement and under one or part of the Appendices to the Lease Agreement by sending the Lessee a corresponding notification (notifications), which is an integral part of the Lease Agreement. Refusal and/or evasion of the Lessee from receiving a notice of changes in the amount of payments, as well as the absence of the Lessee at the location and/or at the last known address of the Lessee indicated in the last signed Appendix to the Lease Agreement, shall not constitute grounds for releasing the Lessee from the obligation to make payments in the changed amount. The amounts of payments shall be deemed to be changed on the date specified in the notice of change in the amounts of payments.
- 5.17 With an increase in the cost of Leasing Subject under the Purchase and Sale Agreement, the Lessor shall have the right to unilaterally increase the Lease Payments Amount under the appropriate Appendix to the Lease Agreement by the amount, by which the cost of the Leasing Subject under the Sale and Purchase Agreement increase or has been increased. At the same time, the Lessor shall be entitled, at its discretion, to increase either the Advance Payment, or the Lease Payments Amount, or the Advance Payment and the Lease Payments Amount under the relevant Appendix to the Agreement. The Lessor shall notify the Lessee of the change in the Lease Payments Amount under the relevant Appendix to the Agreement by sending the Lessee a corresponding notification, which is an integral part of the Lease Agreement. Refusal and/or evasion of the Lessee from receiving notification of the change in the Lease Payments Amount according to the relevant Appendix to the Agreement, as well as the Lessee's absence at the location and/or at the last known address of the Lessee indicated in the last signed Appendix to the Lease Agreement shall not constitute the grounds for releasing the Lessee from the obligation to make payments in the changed amount. The Lease Payments Amount under the relevant Appendix to the Lease Agreement shall be deemed to have been changed on the date specified in the notice of change in the Lease Payments Amount.

5.18 “Actual Payment Date” in this clause of the Regulations means the date the funds are debited from the Lessor’s current account in payment of the Leasing Subject under the Sale and Purchase Agreement, concluded for the subsequent transfer of the Leasing Subject to the possession and use of the Lessee in accordance with the relevant Appendix to the Lease Agreement, on one of the following conditions:

- (a) the amount of funds debited from the Lessor’s settlement account exceeds the Advance payment of the Lessee according to the relevant Appendix to the Lease Agreement;
- (b) before writing off this amount from the current account of the Lessor, the Lessor has already paid the Seller under the Sale and Purchase Agreement, concluded for the subsequent transfer of the Leasing Subject to the possession and use of the Lessee in accordance with the relevant Appendix to the Lease Agreement, the amount equal to or exceeding the Advance Payment of the Lessee under the corresponding Appendix to the Lease Agreement.

“Date of First Lease Payment” in the present clause of the Regulations means the calendar date indicated in Lease Payments Schedule under the appropriate Appendix to the Lease Agreement until which Lease Payment, indicated with number 1 in Lease Payments Schedule under the appropriate Appendix to the Lease Agreement shall be paid by the Lessee to the Lessor, in particular, shall be credited to the correspondent account at the Lessor’s bank.

“Time Period from the Actual Payment Date” in this clause of the Regulations means the period of time starting on the Date of Actual Payment and ending on the last calendar day preceding the Date of the First Lease Payment under the relevant Appendix to the Lease Agreement.

The Lessor shall have the right to unilaterally change the Lease Payments Amount and/or make the following changes to the Lease Payments Schedule under the relevant Appendix to the Lease Agreement upon the occurrence of the circumstances specified in this clause of the Regulations:

- (1) If the Time Period from the Date of Actual Payment is less than 15 (Fifteen) calendar days, the Lessor shall have the right, at its discretion, to postpone the Date of the First Lease Payment in accordance with the relevant Appendix to the Lease Agreement so that the Time Period from the Date of Actual Payment is at least 15 (Fifteen) calendar days, but not more than 45 (Forty five) calendar days.
- (2) If the Time Period from the Date of Actual Payment is more than 45 (Forty-five) calendar days, the Lessor has the right, at its discretion, to postpone the Date of the first Lease Payment according to the corresponding Appendix to the Lease Agreement back so that the Time Period from the Date of Actual Payment is no more than 45 (Forty-five) calendar days, but not less than 15 (Fifteen) calendar days.

When postponing the Date of the First Lease Payment under the relevant Appendix to the Lease Agreement in accordance with this clause of the Regulations, the dates of subsequent Lease Payments under the relevant Appendix to the Lease Agreement shall also be postponed, which is reflected by the Lessor in the Lease Payment Schedule under the corresponding Appendix to the Lease Agreement.

The Lessor shall notify the Lessee of the change in the Lease Payments Schedule under the relevant Appendix to the Lease Agreement by sending the Lessee a corresponding notification, which is an integral part of the Lease Agreement. Refusal and/or evasion of the Lessee from receiving notification of changes in the Lease Payments Schedule under the relevant Appendix to the Lease Agreement, as well as the Lessee's absence at the location and/or at the last known address of the Lessee specified in the last signed Appendix to the Lease Agreement, shall not constitute the grounds for releasing the Lessee from the obligation to make payments under the corresponding Appendix to the Lease Agreement in the changed amount. The Lease Payments Schedule under the relevant Appendix to the Lease Agreement shall be deemed to be changed on the date specified in the notice of changes in the Lease Payments Schedule under the relevant Appendix to the Lease Agreement.

Exclusively for ease of use, the change in the Lease Payments Schedule under the relevant Appendix to the Lease Agreement in accordance with this clause of the Regulations is referred to in the documents related to the Lease Agreement as a change in the Lease Payments Schedule due to the change in the date of the investment.

- 5.19 If the Lessee, within 10 (ten) business days following the date of the end of the lease term of the Leasing Subject under the relevant Appendix to the Lease Agreement, has not returned the Leasing Subject to the Lessor or the ownership right to the Leasing Subject under the relevant Appendix to the Lease Agreement has not been transferred by the Lessor to the Lessee (with no Lessor's fault), the Lessee shall make payments to the Lessor under the relevant Appendix to the Lease Agreement (not included in the Lease Payments Amount) for the entire period of possession and use of the Leasing Subject, which starts from the first calendar day following the date of the end of the lease term of the Leasing Subject under the corresponding Appendix to the Lease Agreement, and ends at the date the Lessee returns the Leasing Subject to the Lessor or at the date of transfer of the Leasing Subject to the ownership of the Lessee according to the corresponding Appendix to the Lease Agreement (hereinafter the "Additional Lease Term").
- 5.19.1 The amount of payments for each day of the Lease Payments shall be equal to one-thirtieth of the Lease Payments Amount under the relevant Appendix to the Lease Agreement, divided by the number of months of the lease term under the relevant Appendix to the Lease Agreement, unless the Parties have agreed on a different amount.
- 5.20 Provided that the Lessee has no arrears in paying the Lease Payments, the due date of which has come, forfeits due and other unpaid payments due by the Lessee under the Lease Agreement, the Lessee shall be entitled to pay ahead of schedule a part of the Lease Payments, the due date of which has not arrived (hereinafter the "Partial Advanced Discharge of Obligations").

In case of partial payment by the Lessee of the amount of the Partial Advanced Discharge of the Lessee's Obligations, as well as the amount of money for the execution by the Lessor of documents related to the Partial Advanced Discharge of the Lessee's Obligations, the Lessor shall be entitled, solely at its discretion:

In the cases specified in this clause of the Regulations, the amount received by the Lessor for the execution of documents related to the Partial Early Fulfillment of the Lessee's Obligations shall be withheld by the Lessor as compensation for the costs of processing the Lessee's request for Partial Early Fulfillment of Obligations under the Lease Agreement and shall not be returned to the Lessee.

- 5.20.3 In case of early payment by the Lessee of all Lease Payments, the deadline for payment of which has not come (complete early fulfillment of obligations of the Lessee), the provisions of Section 11 of the Regulations governing the early redemption of the Leasing Subject shall be applied to the parties.

Other expenses that may arise in connection with the transfer of ownership of the Leased Asset to the Lessee shall be borne by the Lessee.
 - 11.1.4 If the Lessee, within 10 (Ten) working days from the end of the lease term, does not pay the Redemption Price of the Leasing Subject to the Lessor and does not conclude a separate purchase and sale agreement for the Leasing Subject with the Lessor (with no fault of the Lessor), the Lessor, at their discretion, shall have the right to demand the redemption price of the Leasing Subject and conclude with the Lessor a separate contract for the purchase and sale of the Leasing Subject, after

which the title to the Leasing Subject will be transferred to the Lessee, or unilaterally refuse to fulfill the obligation to transfer to the Lessee the Leasing Subject under the relevant Appendix to the Lease Agreement without reimbursing the Lessee's losses caused by such a refusal. The Lessor shall inform the Lessee of their unilateral refusal to fulfill their obligations to transfer ownership to the Leasing Subject by sending a notification to the Lessee, while it is considered that the Lessor has refused to fulfill their obligations to transfer ownership to the Leasing Subject under the relevant Appendix to the Lease Agreement to the Lessee on the date specified in such notification.

- 11.1.5 If the Lessee paid the Redemption Price of the Leasing Subject to the Lessor, but did not return the Leasing Subject to the Lessor in accordance with the procedure provided for in Article 12 hereof, and did not conclude a separate purchase and sale agreement for the Leasing Subject with the Lessor (through no fault of the Lessor) within 10 (Ten) workdays days from the end of the lease term under the relevant Appendix to the Lease Agreement, the Lessor shall have the right to send the Lessee a notice of the transfer of ownership of the Leasing Subject to the Lessee. In this case, the Lessee's right of ownership (title) to the Leasing Subject under the relevant Appendix to the Lease Agreement arises from the date specified in the Lessor's notification sent to the Lessee's e-mail address and/or the Lessee's location specified in the Lease Agreement.
- 11.2 If the corresponding Appendix to the Lease Agreement provides for the transfer of ownership (title) of the Leasing Subject from the Lessor to the Lessee, the Lessee, after 6 (Six) months of the lease term under the corresponding Appendix to the Lease Agreement, shall have the right at any time before the end of the lease term, the Lessee pays all unpaid Lease payments due, subject to payment of penalties and other payables, but not paid payments of the Lessee under the relevant Appendix to the Lease Agreement, to redeem the Leasing Subject ahead of schedule. Early redemption of the Leasing Subject is performed as follows:
- 11.2.1 The Lessee shall notify the Lessor of its intention to redeem the Leasing Subject in accordance with the relevant Appendix to the Lease Agreement at least 15 (Fifteen) calendar days prior to the date of payment of the next Lease Payment under the relevant Appendix to the Lease Agreement, closest to the date of the planned Early Redemption of the Leasing Subject.
- 11.2.2 If the Lessor agrees with the Early Redemption of the Leasing Subject according to the relevant Appendix to the Lease Agreement, the Lessor prepares the relevant documents, notifies the Lessee of its readiness for the Early Redemption of the Leasing Subject and notifies the Lessee of the amount that the Lessee is obliged to pay to the Lessor for the Early Redemption. The amount payable by the Lessee to the Lessor in the event of Early Redemption of the Leasing Subject is determined as follows:
- in case of any violations of the relevant Appendix to the Lease Agreement by the Lessee during the term of the Lease Agreement, the Lessee shall pay to the Lessor the amount of the balance of payments specified in the relevant Appendix to the Lease Agreement for the date of payment of the next Lease Payment closest to the date of the planned Early Redemption of the Leasing Subject;

- in the absence of any violations of the relevant Appendix to the Lease Agreement by the Lessee during the validity period of the corresponding Appendix to the Lease Agreement, the Lessee shall pay to the Lessor the amount of early fulfillment of obligations specified in the corresponding Appendix to the Lease Agreement for the date of payment of the next Lease payment closest to the date of the planned early repurchase of the Leasing Subject.
- 11.2.3 The Lessee shall pay to the Lessor within 5 (Five) working days the amount of money for the Early Redemption of the Leasing Subject according to the appropriate Appendix to the Lease Agreement on the basis of invoices issued by the Lessor to the Lessee, after which the Parties to the Lease Agreement sign all the necessary documents for the Early Redemption of the Leasing Subject.
- 11.2.4 The ownership (title) to the Leasing Subject is transferred by the Lessor to the Lessee on the basis of a separately concluded purchase and sale agreement.
- 11.3 By signing the Lease Agreement, the Lessee confirms that the payment by the Lessee of the amount of money for the Early Redemption of the Leasing Subject specified by the Lessor, not in the full amount, is not a proper performance by the Lessee of the obligations for the Early Redemption of the Leasing Subject. In this case, in order to transfer ownership of the Leasing Subject under the relevant Appendix to the Lease Agreement from the Lessor to the Lessee, the Lessee shall be obliged to pay the difference between the amount for the Early Redemption of the Leasing Subject received by the Lessor and the amount specified by the Lessor for the Early Redemption of the Leasing Subject within 5 (Five) working days from the date of receipt of the corresponding request from the Lessor. Failure by the Lessee to pay the amount of money for the Early Redemption of the Leasing Subject, including its partial payment, constitutes the Lessee's refusal to perform Early Redemption of the Leasing Subject. In case of Lessee's failure to pay the amount of money for the Early Redemption of the Leasing Subject, the Appendix to the Agreement continues to operate on the same terms. In case of a partial payment by the Lessee of the amount of money for the Early Redemption of the Leasing Subject, the Lessor may, at its sole discretion, either refuse to receive the respective payment, having returned it to the Lessee, or set off such payment towards any outstanding obligations of the Lessee under any Appendix to the Lease Agreement or any agreement entered into by and between the Lessor and the Lessee, ignoring the purpose of that payment stated by the Lessee in the respective payment order. In addition, and regardless of whether the date and number of the Lease Agreement are indicated in the payment order in relation to any payment received by the Lessor, the Lessee by signing the Lease Agreement grants the Lessor the right to set off the received payment towards repayment of the Lessee's unfulfilled obligations under any of the Appendices to the Agreement or under any from agreements concluded between the Lessor and the Lessee, without taking into account the purpose of the payment specified by the Lessee in such a payment order, and the Lessor can exercise this right at any time at its discretion.
- 11.4 If it is necessary to deliver the Leasing Subject to the Traffic Police to terminate its registration (perform any other action stipulated by the current Russian legislation, which will terminate the registration of the Leasing Subject by the Traffic Police), including for transferring it into the ownership of the Lessee, the Lessee, at the request of the Lessor, on its own and at its own expense, shall deliver the Leasing Subject to the Traffic Police within the time frame specified by the Lessor.

- 11.5 The Lessor shall not be liable to the Lessee for the quality or any other characteristics of the Leasing Subject after the transfer of the ownership of the Leasing Subject to the Lessee.

12. Return of the Leasing Subject by the Lessee to the Lessor

- 12.1 If the Appendix to the Lease Agreement provides that upon termination of the lease the Leasing Subject is returned to the Lessor, as well as in other cases of returning the Leasing Subject, including those set in the Regulations, the Lessee independently requests information from the Lessor on the date, time, method and place of return of the Leasing Subject within such a period that the Leasing Subject shall have been returned in accordance with the terms of the Regulations and/or the Lease Agreement. The Lessee undertakes to strictly follow the instructions received from the Lessor for the return of the Leasing Subject. The return of the Leasing Subject to the Lessor is carried out by a commission consisting of authorized representatives of the Parties, and is executed by the acceptance certificate for the Leasing Subject, according to which the Lessee returns the Leasing Subject to the Lessor. The date of return of the Leasing Subject to the Lessor is the date of signing the acceptance certificate for the Leasing Subject. In case of refusal, evasion of the Lessee from signing the Acceptance and Transfer (Return) Certificate of the Leasing Subject, the Lessor shall have the right to draw up a unilateral Report on seizure of the Leasing Subject indicating the defects of the Leasing Subject discovered by him/her. In this case, the Lessee does not have the right to refer to the absence of such defects of the Leasing Subject.
- 12.2 All costs associated with the return of the Leasing Subject to the Lessor are borne by the Lessee.
- 12.3 The Leasing Subject shall be returned to the Lessor in the same condition in which it was received as a lease taking into account the normal wear and tear. All identified shortcomings of the Leasing Subject are indicated in the acceptance certificate for the Leasing Subject.
- If any deficiencies are identified in the returned Leasing Subject, the Lessor has the right to demand from the Lessee to compensate for the cost of correction of such deficiencies, including the cost of missing parts, assemblies, parts and assemblies of the Leasing Subject. The amount to be reimbursed is determined on the basis of the calculation of the Lessor, and in the case when the Lessee returns the Leasing Subject (the aggregate of the Leasing Subject's remains) due to the termination of the Lease Agreement and/or the relevant Appendix to the Lease Agreement due to the destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer), on the basis of the requirement of the Insurer to transfer to them the missing parts, units, parts and assemblies of the Leasing Subject or compensation for their value, and if the Insurer has not submitted such a demand — on the basis of the Lessor's calculation. The Lessor shall have the right, at its discretion, not to demand compensation in accordance with the procedure established by this clause hereof, in case of the destruction of the Leasing Subject (impossibility or inexpediency to restore the Leasing Subject at the expense of the Insurer), but unilaterally deduct the amount specified in the Insurer's request or the Lessor's calculation from the amounts payable by the Lessor to the Lessee in accordance with clause 13.11. of the Regulations.
- 12.4 If the Leasing Subject is registered by the Traffic Police for the Lessee, the Lessee shall be obliged to terminate the Leasing Subject registration or take another action provided for by the current Russian legislation, which will terminate the registration of the Leasing Subject by the Traffic Police for the Lessee, until the Leasing Subject is returned to the Lessor.

- 12.5 In case of a unilateral refusal to execute the Lease Agreement and/or the corresponding Appendix to the Lease Agreement, or upon termination of the Lease Agreement as a result of a material violation by the Lessee of the terms of the Lease Agreement, the Lessor shall have the right, at its discretion, to immediately withdraw all or part of the Leasing Subjects and demand from the Lessee, including the complete and indisputable reimbursement of reasonable expenses related to the termination of the Lease Agreement and the withdrawal of the Leasing Subject.

13. Insurance

- 13.1 The Policyholder and the Payer of the insurance premium under the Insurance Contract for the Leasing Subject, as well as under the Contract of the Civil Liability Insurance of the Vehicle Owner, are selected by mutual agreement of the Parties and are indicated in the Lease Agreement. The Policyholder and the Payer of the Insurance Premium are determined separately for each risk.
- 13.2 If the Lessor is the Insurer under the Insurance Contract for the Leasing Subject or under the Contract of the Civil Liability Insurance of the Vehicle Owner, the Lessee shall, at the request of the Lessor, within the time and place specified by it, to provide the Leasing Subject for inspection of the vehicle by the Insurer.
- 13.3 The insured amount under the Insurance Contract (except for the contract of civil liability insurance of the vehicle owner) must be equal to the market value of the Leasing Subject at the time of the conclusion of the Insurance Contract. An exception is the Insurance Contract, which comes into force no later than the date of signing the Certificate of Acceptance and Transfer of the Leasing Subject from the Lessor to the Lessee, according to which the Insured Amount for the first year of insurance shall be equal to the value of the Leasing Subject under the Purchase and Sale Agreement.
- 13.4 The Insured Amount under the Contract of the Civil Liability Insurance of the Vehicle Owner shall be at least 20,000 (Twenty thousand) US dollars or 20,000 (Twenty thousand) Euro, or 600,000 (Six hundred thousand) rubles, respectively, depending on the Currency of the Lease Agreement. The Insured Amount under the Contract of the Civil Liability Insurance of the Vehicle Owner, established in the Regulations, includes the Insured Amount under the Contract of Compulsory Civil Liability Insurance of the Vehicle Owner.
- 13.5 If the Policyholder is the Lessee, the latter undertakes to conclude an Insurance Contract for the Leasing Subject on the terms set forth herein, including the following conditions: the Leasing Subject must be insured:
- 13.5.1 from the full range of property risks (including, but not limited to risks of loss (theft), destruction (impossibility or inexpediency of recovery at the expense of the Insurer) and damage as a result of fire, flood, natural disasters, illegal actions of third parties, explosion, accident, road traffic accident, falling aerial vehicles and other items, the impact of animals, rollover, and, if applicable, the fall of goods transported or shipped by means of the Leasing Subject);
- 13.5.2 no franchises, neither conditional nor unconditional;

- 13.5.4 without limiting the number of persons admitted to manage the Leasing Subject;
- 13.5.5 without any restrictions and the conditions of storage of the Leasing Subject;
- 13.5.6 non-aggregate insurance coverage. In this case, the non-aggregate insurance coverage means the sum insured under the Insurance Contract for the Leasing Subject, which does not change during the entire validity of the Insurance Contract, regardless of the number of insured events and the amount of insurance indemnities paid by the Insurer;
- 13.5.7 the terms and conditions related to the beneficiary must comply with the terms and conditions of the Regulations.

The Lessee is not entitled to change or terminate the Insurance Contract for the Leasing Subject without the prior written consent of the Lessor.

The Lessee must provide the Lessor with 1 (one) original copy of the Insurance Contract for the Leasing Subject within 5 (five) business days from the date of its conclusion, but not later than the expiry date of the previous Insurance Contract for the Leasing Subject, and if the Insurance Contract for the Leasing Subject provides insurance coverage of the Leasing Subject with the moment of transfer and acceptance of the Leasing Subject from the Seller, the Lessee is obliged to provide the Lessor with 1 (one) original copy of such an Insurance Contract before the transfer and acceptance of the Leasing Subject from the Seller. Insurance of the Leasing Subject is provided for the entire term of the Lease Agreement.

- 13.6 If the Insurer is the Lessee, the Lessor shall indicate the cost of the Leasing Subject under the Purchase and Sale Agreement to the Lessee. Upon written request of the Lessee the Lessor undertakes to provide to the Lessee a written document confirming the value of the object of lease purchase agreement.
- 13.7 In case of an increase in the amount of the insurance premium actually paid by the Lessor under the Contract of Compulsory Civil Liability Insurance of Vehicle Owners (hereinafter referred to as the "OSAGO") in comparison with the amount of the insurance premium under OSAGO determined on the date of signing the relevant Appendix to the Lease Agreement, the Lessor shall have the right to unilaterally increase the Amount Lease Payments, including the Lease Payments Schedule under the relevant Appendix to the Lease Agreement by the difference between the insurance premium under OSAGO as of the date of actual payment and the insurance premium under OSAGO as of the date of signing the corresponding Appendix to the Lease Agreement, increased by value added tax from this difference, and the Lessee shall unconditionally make the Lease Payments in accordance with the corresponding Appendix to the Lease Agreement in the changed amount. The Lessor shall notify the Lessee of the change in the Lease Payments Amount under the relevant Appendix to the Lease Agreement by sending the Lessee a corresponding notification, which is an integral part of the Agreement. Refusal and/or evasion by the Lessee from receiving a notification about the change in the Lease Payments Amount according to the relevant Appendix to the Lease Agreement, as well as the absence of the Lessee at the location and/or at the last known address of the Lessee specified in the

Lease Agreement shall not constitute the grounds for releasing the Lessee from the obligation to make payments under the Lease Agreement in the changed amount. The Lease Payments Amount under the relevant Appendix to the Lease Agreement is deemed to have been changed on the date specified in the notice of change in the Lease Payments Amount under the relevant Appendix to the Lease Agreement.

- 13.8 Signature affixed by the Lessee to the Lease Agreement means that the Lessee is aware of all conditions, based on which the Insurance Agreement will be entered into, when the Policyholder is the Lessor, the Insurer's Rules of Insurance, the rates and terms of payment of the insurance indemnity, means that the Lessee approves the listed provisions, as well as expresses the will and obliges itself to comply with the terms and conditions of the Insurance Agreement, as well as all documents referred to in the Insurance Agreement, Insurer's Rules of Insurance and other conditions of insurance of the Leasing Subject. However, the Lessee must on its own initiative demand from the Lessor to provide it with the Insurance Contract, together with all documents accompanying the same, and the Lessor may not refuse to provide the Lessee with the Insurance Contract. Signature affixed by the Lessee to the Lease Agreement shall prove the Lessee's approval of the franchise established under the Leased Asset Insurance Contract to the extent determined as agreed between the Lessor and the Insurer. Signature affixed by the Lessee to the Lease Agreement shall prove the Lessee's approval of the insurance premium established under the Leased Asset Insurance Contract depending on the USD and/or EURO rate of exchange.

- 13.9 If the Insurance Contract is concluded for a period shorter than the validity period of the corresponding Appendix to the Lease Contract, a new Insurance Contract must be concluded under the terms of this clause of the Regulations. The new Insurance Contract shall enter into force from the date of termination of the previous Insurance Contract for the Leasing Subject.

If the Policyholder is the Lessor and in case that the Insurance Contract of the Leasing Subject is concluded for a period less than the validity period of the corresponding Appendix to the Lease Agreement, the Lessor, acting as the Policyholder, shall have the right to conclude a new Insurance Contract with the Insurer other than the specified by the Insurer in the corresponding Appendix to the Lease Agreement, and the signature of the Lessee on the Lease Agreement means, inter alia, that the Lessee has agreed with the Lessor's right to conclude an Insurance Contract with an Insurer other than the Insurer specified in the relevant Appendix to the Lease Agreement.

If the amount of insurance premium under the new Insurance Contract exceeds the amount of the insurance premium under the Insurance Contract, which provided protection of the Leasing Subject under the relevant Appendix to the Lease Agreement from the date of Acceptance and Delivery of the Leasing Subject from the Seller, and the Lessor is the Payer of the insurance premium under the Insurance Contract, the Lessor shall have the right to unilaterally change the Lease Payments Amount, including the Lease Payments Schedule, in accordance with the relevant Appendix to the Lease Agreement. The Lessor shall notify the Lessee of the change in the Lease Payments Amount under the relevant Appendix to the Lease Agreement by sending the Lessee a corresponding notification, which is an integral part of the Lease Agreement. Refusal and/or evasion by the Lessee from receiving a notification of the change in the Lease Payments Amount according to the relevant Appendix to the Lease Agreement, as well as the absence of the Lessee at the location address and/or at the last known address of the Lessee specified in the Lease Agreement shall not constitute the grounds for releasing the Lessee from the obligation to make

payments under the Agreement in the changed amount. The Lease Payments Amount under the relevant Appendix to the Lease Agreement is deemed to have been changed on the date specified in the notice of change in the Lease Payments Amount under the relevant Appendix to the Lease Agreement.

13.10 When insuring the Leasing Subject, the Beneficiary is:

13.10.1 The Lessor — in case of loss (theft) and destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer);

13.10.2 The Lessee — in case of damage to the Leasing Subject (except for the cases of destruction of the Leasing Subject (impossibility or inexpediency to restore the Leasing Subject at the expense of the Insurer), unless the Lessor has expressly declared its will for the Beneficiary in the cases specified in clause 13.10.2 hereof.

13.11 Depending on which of the Parties, under the terms of the relevant Appendix to the Lease Agreement, is the Insurer for the risks of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer), the actions of the Parties in case of loss, destruction of the Leasing Subject (impossibility or inexpediency restoration of the Leasing Subject at the expense of the Insurer) are determined as follows:

13.11.1 If the Insurer is the Lessor, the amount of insurance indemnity received by the Lessor from the Insurer in case of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer) shall be set off against the Lessee's performance of obligations under the relevant Appendix to the Lease Agreement, including the obligation to pay Unpaid Payments Amounts. If case of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer) and the termination of the relevant Appendix to the Agreement, the insurance indemnity received by the Lessor from the Insurer does not fully cover the Unpaid Payments Amount under the corresponding Appendix to the Lease Agreement, or insurance the indemnity has not been received, the Lessee shall pay the Lessor the difference between the insurance indemnity received by the Lessor and the Unpaid Payments Amount under the relevant Appendix to the Lease Agreement, and if the insurance indemnity has not been received, the Lessee shall pay the Lessor the Unpaid Payments Amount under the relevant Appendix to the Lease Agreement in full. In case of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer) and the termination of the relevant Appendix to the Lease Agreement, the insurance indemnity received by the Lessor exceeds the Unpaid Payments Amount under the corresponding Appendix to the Lease Agreement, the Lessor shall return the payments to the Lessee previously received from the Lessee in fulfillment of obligations under the relevant Appendix to the Lease Agreement, in the amount of the difference between the insurance indemnity received by the Lessor and the Unpaid Payments Amount under the corresponding Appendix to the Lease Agreement. No interest is charged on payments returned to the Lessee. The amount payable by the Lessor to the Lessee or the Lessee to the Lessor in accordance with this clause hereof may be changed by agreement of the parties to the Lease Agreement. In this case, the Lessor shall have the right to suspend the

payment of the amount due to the Lessee in accordance with this clause of the Lease Agreement until the Lessee returns to the Lessor the corresponding Leasing Subject (the aggregate of the Leasing Subject's remains) in the condition that is recorded in the Insurer's Inspection Report of the Leasing Subject, drawn up after the Insurer receives a notification of an event with the Leasing Subject that has signs of an insured event and/or in an act drawn up by the Lessor, if the Insurer did not draw up an Inspection Report of the Leasing Subject specified in this clause hereof.

- 13.11.2 If the Insurer is the Lessee, in case of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer), the Lessee, at the request of the Lessor, shall pay the Unpaid Payments Amount under the relevant Appendix to the Lease Agreement within 5 (Five) working days from the date of receipt the corresponding request. After the Lessee fulfills the Lessor's request to pay the Amount of unpaid payments, the Lessor undertakes to transfer to the Lessee the Leasing Subject (if any), as well as all the rights of the beneficiary under the Insurance Contract for the Leasing Subject, if the Lessor had such rights.

If the Lessee fails to fulfill the request of the Lessor to pay the Unpaid Payments Amount under the relevant Appendix to the Lease Agreement in case of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer), the Lessor shall have the right, at its discretion, to demand the compulsory execution of the requirement to pay the Unpaid Payments Amount in the manner prescribed by the current legislation, or to satisfy their claims at the expense of insurance indemnity, which, if received by the Lessor, is set off against the Lessee's fulfillment of its obligations under the relevant Appendix to the Lease Agreement, including the obligation to pay the Unpaid Payments Amount under the relevant Appendix to Lease Agreement, subject to the following conditions:

- 13.11.2.1 If, in case of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer) and the termination of the respective Appendix to the Lease Agreement, the insurance indemnity received by the Lessor from the Insurer does not fully cover the Unpaid Payments Amount under the relevant Appendix to the Lease Agreement, or the insurance indemnity has not been received, the Lessee shall pay the Lessor the difference between the insurance indemnity received by the Lessor and the Unpaid Payments Amount under the relevant Appendix to the Lease Agreement, and if the insurance indemnity is not received, the Lessee shall pay the Lessor the Unpaid Payments Amount under the relevant Appendix to the Lease Agreement in full;
- 13.11.2.2 In case of loss, destruction of the Leasing Subject (impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer) and the termination of the relevant Appendix to the Lease Agreement, the insurance indemnity received by the Lessor exceeds the Unpaid Payments Amount under the corresponding Appendix to the Lease Agreement, the Lessor shall return the payments to the Lessee previously received from the Lessee in fulfillment of

obligations under the relevant Appendix to the Lease Agreement, in the amount of the difference between the insurance indemnity received by the Lessor and the Unpaid Payments Amount under the corresponding Appendix to the Lease Agreement. In this case, the Lessor has the right to suspend the payment of the amount due to the Lessee in accordance with this clause hereof until the Lessee returns to the Lessor the Leasing Subject (the aggregate of the Leasing Subject's remains) in the condition that is recorded in the Insurer's inspection report of the Leasing Subject, drawn up after the Insurer receives a message about the incident that happened to the Leasing Subject that has signs of an insured event and/or in a report drawn up by the Lessor, if the Insurer has not drawn up an inspection report on the Leasing Subject specified in this clause hereof.

- 13.12 If the Lessee bears the obligation to pay the insurance premium under the Insurance Agreement, and if the Lessee violates the term for payment of the insurance premium or any part thereof under the Insurance Agreement of the Leasing Subject for 1 (One) calendar day or more, as well as in cases the Lessee has not provided the Lessor with proof of payment by the Lessee of the insurance premium at the request of latter, the Lessor shall have the right to independently pay the insurance premium or a part of it so that the Leasing Subject does not turn out to be uninsured. In this case, the Lessor has the right to reimburse the costs of paying the insurance premium from any payment received from the Lessee under the Agreement with the obligatory notification of the Lessee about such compensation, while the reimbursement of the Lessor's expenses specified in this clause hereof being made in the first place and precedence over the purpose of payment specified by the Lessee.
- 13.13 In the event of loss or destruction of the Leasing Subject (impossibility or inexpediency to restore the Leasing Subject at the expense of the Insurer), the Lessor shall have the right to refuse to execute the relevant Appendix to the Agreement unilaterally, after which the Appendix to the Agreement is deemed to be terminated. The Lessor informs the Lessee about the unilateral refusal of the Lessor to fulfill the relevant Appendix to the Agreement by sending a notification to the Lessee, while the Appendix to the Agreement is deemed to be terminated on the date specified in such notice.
- 13.14 In case of damage to the Leasing Subject (except for the destruction of the Leasing Subject (impossibility or inexpediency to restore the Leasing Subject at the expense of the Insurer), the Lessee shall be obliged to restore the Leasing Subject at the expense of the insurance indemnity received by the Lessee as the Beneficiary, and in cases where the amount of the insurance indemnity is not sufficient for the restoration of the Leasing Subject or the insurance indemnity has not been paid by the Insurer under the Insurance Contract, the Lessee shall restore the Leasing Subject in full at its own expense (if the insurance indemnity has not been paid by the Insurer under the Insurance Contract) or (if the insurance indemnity is received by the Lessee, but it is not enough to fully restore the Leasing Subject) bear part of the costs of restoration of the Leasing Subject in the amount of the difference between the total amount of expenses required for the full restoration of the Leasing Subject and the insurance indemnity received by the Lessee. For the purposes of this clause hereof, the 'restoration of the Leased Asset' shall mean the restoration of the Leased Asset condition as of the date of transferring the Leased Asset from the Lessor to the Lessee, with due regard for all subsequent modifications made to the Leased Asset with the consent of the Lessor and also with due regard for the normal wear of the Leased Asset. Subject to the terms of the Insurance Contract, the Lessee is obliged to present the restored Leasing Subject to the Insurer for inspection, notifying the Lessor of the date of such inspection no later than 2 (two) business days prior to the inspection date.

- 13.15 Regardless of who the Policyholder and the Beneficiary is under the Insurance Contract for the Leasing Subject, the Lessee, as a person who owns and uses the Leasing Subject, is obliged to take all possible steps in order to receive the insurance indemnity.
- 13.16 In case of that, at the end of the lease term of the Leasing Subject, the Lessee has not paid all payments due in accordance with the relevant Appendix to the Lease Agreement, and therefore the Leasing Subject is not transferred to the ownership of the Lessee, the Lessor shall be entitled to independently pay the insurance premium to secure the Leasing Subject with the insurance protection for the entire period of time until the transfer of the Leasing Subject to the ownership of the Lessee or until the Leasing Subject is returned to the Lessor. The Lessor has the right to reimburse the expenses of the Lessor for the payment of the insurance premium by deducting the appropriate amount from any payment received from the Lessee or by submitting a separate claim to the Lessee for compensation of such expenses. In this case, the expiration of the lease term of the Leasing Subject for the purposes of this clause hereof means, inter alia, cases of early termination of the relevant Appendix to the Lease Agreement.
- 13.17 Upon termination (cancellation) of the Lease Agreement and/or termination of the relevant Appendix to the Lease Agreement in connection with the loss and/or destruction of the Leasing Subject (the impossibility or inexpediency of restoring the Leasing Subject at the expense of the Insurer), the Lessee shall be obliged to bear the costs of maintaining and storing the Leasing Subject (the aggregate of the Leasing Subject remains) until the return of the Leasing Subject (the aggregate of the Leasing Subject's remains) to the Lessor. The Lessee is obliged to submit to the tax authority at the address of the location (place of registration) of the Lessee an application and documents confirming the loss (theft) of the Leasing Subject, for the purpose of confirming the validity of the exemption of this Leasing Subject from transport tax, within 1 (One) working day from the date the Lessee receives from the relevant competent authority of the Russian Federation documents confirming the loss (theft) of the Leasing Subject (certificate of theft of a car (Leasing Subject) or a certificate or resolution to initiate a criminal case, or other documents).
- 13.18 If, under the terms of the relevant Appendix to the Lease Agreement, the Leasing Subject is registered for the Lessee, the latter is obliged to terminate the Leasing Subject registration within 5 (Five) working days from the date a notification from the Lessor is received or to take another action provided for by the current Russian legislation, which shall terminate registration of the Leasing Subject by the Traffic Police for the Lessee, and at his own expense deliver it to the address specified by the Lessor. If the Leasing Subject is registered with the Lessor, the requirement established in this clause hereof to deliver the Leasing Subject to the address specified by the Lessor must be fulfilled by the Lessee within the time frame specified in the notice of the Lessor.

14. Securing Performance of Obligations

- 14.1 In the event of late payment of the payments specified in the Lease Agreement and/or Appendices to the Lease Agreement, including the Advance Payment, or partial payment of the amounts specified in the Lease Agreement and/or Appendices to the Lease Agreement, including partial payment of the Advance Payment, the Lessor shall have the

right to demand from the Lessee to pay a forfeit in the form of a penalty in the amount of [***] of the amount unpaid on time for each day of delay in payment. The penalty provided for by this clause of the Regulations is calculated from the third day starting from the date following the date of the corresponding payment, unless the Lessor, at its own discretion, has chosen a different start date for calculating the penalty.

- 14.2 If the Lessee does not accept the Leasing Subject within the period established by the relevant Appendix to the Lease Agreement without any reasons, or refuses or evades acceptance of the Leasing Subject, the Lessor shall be entitled to demand from the Lessee to pay a fine in the amount of [***] of the value of the Leasing Subject under the Purchase and Sale Agreement. In this case, the Lessor has the right to unilaterally refuse to execute the Lease Agreement and/or the corresponding Appendix to the Lease Agreement, after which the Lease Agreement and/or the corresponding Appendix to the Lease Agreement shall be deemed to be terminated. The Lessor informs the Lessee of the Lessor's unilateral refusal to execute the Lease Agreement and/or the corresponding Appendix to the Lease Agreement by sending the Lessee a relevant notification, while the Lease Agreement and/or the corresponding Appendix to the Lease Agreement is deemed to be terminated (cancelled) on the date specified in such notification.
- 14.3 In case of delay in returning to the Lessor the original PTS, executed in hard copy, the Lessor has the right to demand from the Lessee to pay a penalty in the amount of [***] US dollars or [***] Euro, or [***] rubles, respectively, in depending on the Currency of the Lease Agreement, for each day of delay in return.

In this case, the Lessee, within 10 (Ten) working days, is obliged to send the Lessor a written response to the above document containing the requirement to pay the penalty, or pay the penalty to the Lessor as a separate payment. In cases specified in this clause hereof, a notice to the Lessor of changing the Lessee's email address shall be deemed proper.

If, after the expiration of the lease term under the relevant Appendix to the Lease Agreement, the Lessor incurs expenses for reasons that occurred during the lease term under the relevant Appendix to the Lease Agreement, the Lessor shall have the right to demand reimbursement of such expenses. In this case, the Lessor sends the Lessee a corresponding claim for reimbursement of expenses, and the Lessee shall be obliged to make payment within 10 (ten) calendar days from the date of sending by the Lessor such a request. In case of violation by the Lessee of the specified term of payment, the Lessor shall be entitled to reimburse the expenses from any payment received from the Lessee under the Lease Agreement. At the same time, the parties acknowledge that the Notices of the Fulfillment of Obligations from the Security Deposit, sent by e-mail, are an appropriate way of notifying the Lessee and can be used as evidence when considering disputes in court.

Until the Lessor receives a notice from the Lessee on the change of the Lessee's e-mail address in one of the ways provided for in section 14 of the Regulations, the Notices of the Fulfillment of Obligations from the Security Deposit shall be sent to the Lessee's last e-mail address known to the Lessor, and the Lessee bears the risk of the consequences associated with this. The Lessor shall have the right at any time to change the method of sending the Notices to the Lessee on the Fulfillment of Obligations from the Security Deposit.

The Lessee is obliged to transfer to the Lessor the amount necessary to restore the Security Deposit to the Lessor within 5 (Five) working days from the date of receipt from the Lessor of the Notice of the Fulfillment of Obligations from the Security Deposit to the amount established by the relevant Appendix to the Lease Agreement.

- 14.17.3 The Parties have agreed that the Lessee's payment of the Security Deposit does not affect the Lessor's right to file claims against the Lessee in connection with the violation by the Lessee of the Regulations and/or the Lease Agreement, and/or current legislation, and does not give the Lessee the right not to perform or perform improperly any obligations of the Lessee under the Lease Agreement.

- 14.17.4 Interests on the Security Deposit in favor of the Lessee shall not be charged and the Lessee shall not be paid by the Lessor.

At the end of the lease term, provided that the Lessee fulfills all obligations under the relevant Appendix to the Lease Agreement, the Lessor shall return to the Lessee the Security Deposit or the remaining part of the Security Deposit (if any) by transferring to the Lessee's bank account within 2 (Two) months from the date of payment by the Lessee of the Redemption Price.
